# GIRT WITH MANY A GRAND OLD MOUNTAIN

With the first notes of our Alma Mater, we feel a stirring of loyalty and respect for our college nestled in the majestic Cumberland Mountains.

# STANDS OUR COLLEGE DEAR,

Through the years our college has stood as a symbol of growth and strength. Thousands have passed this way before us. A new life was given to those who used the key to open the doors offered to them.

# WHILE THE CUMBERLAND SINGS EVER PRAISE FOR HER TO HEAR.

Even nature encourages learning and knowledge, and it beckons us  
toward greater understanding.

Within thy walls we have gained in knowledge and understanding  
and have matured into adult men and women who praise thee in  
words, thoughts, and deeds.

**UNION COLLEGE, ALMA MATER**

# WE WOULD PRAISE THEE, TOO, FOR THE STRENGTH

We are thankful to our teachers, who have instructed us in the classroom; our counselors, who have guided us in the search for our goal in life, and for the ministers, who have brought us into a closer harmony with our Creator.

OF PRECEPTS TAKEN US

WELL TO THEM BE TRUE.

# FOR THE GREATEST OF ALL LESSONS

Each Tuesday we meet in the beauty of our chapel. One of our fellow students, who acts as worship leader, leads us in our songs of praise and in prayer. A prominent church leader delivers the morning message.

**PRAISE IS EVER THINE:**

Many of us kneel silently and humbly in the prayer room, dedicated to God. Words of praise pour forth from our hearts, and in times of trouble and anxiety we find the assurance and hope needed to lead us forth in our search for new truths.

**FAITH IN GOD AND IN OUR BROTHER,**

## SERVICE, TOO, SUBLIME.

Each November the Union College Christian Association has a Christmas party for its two Korean orphans. As we dedicate our hearts to God and our hands to our fellow man we receive far more than we have given.

## AS WE GO TO MEET LIFE'S

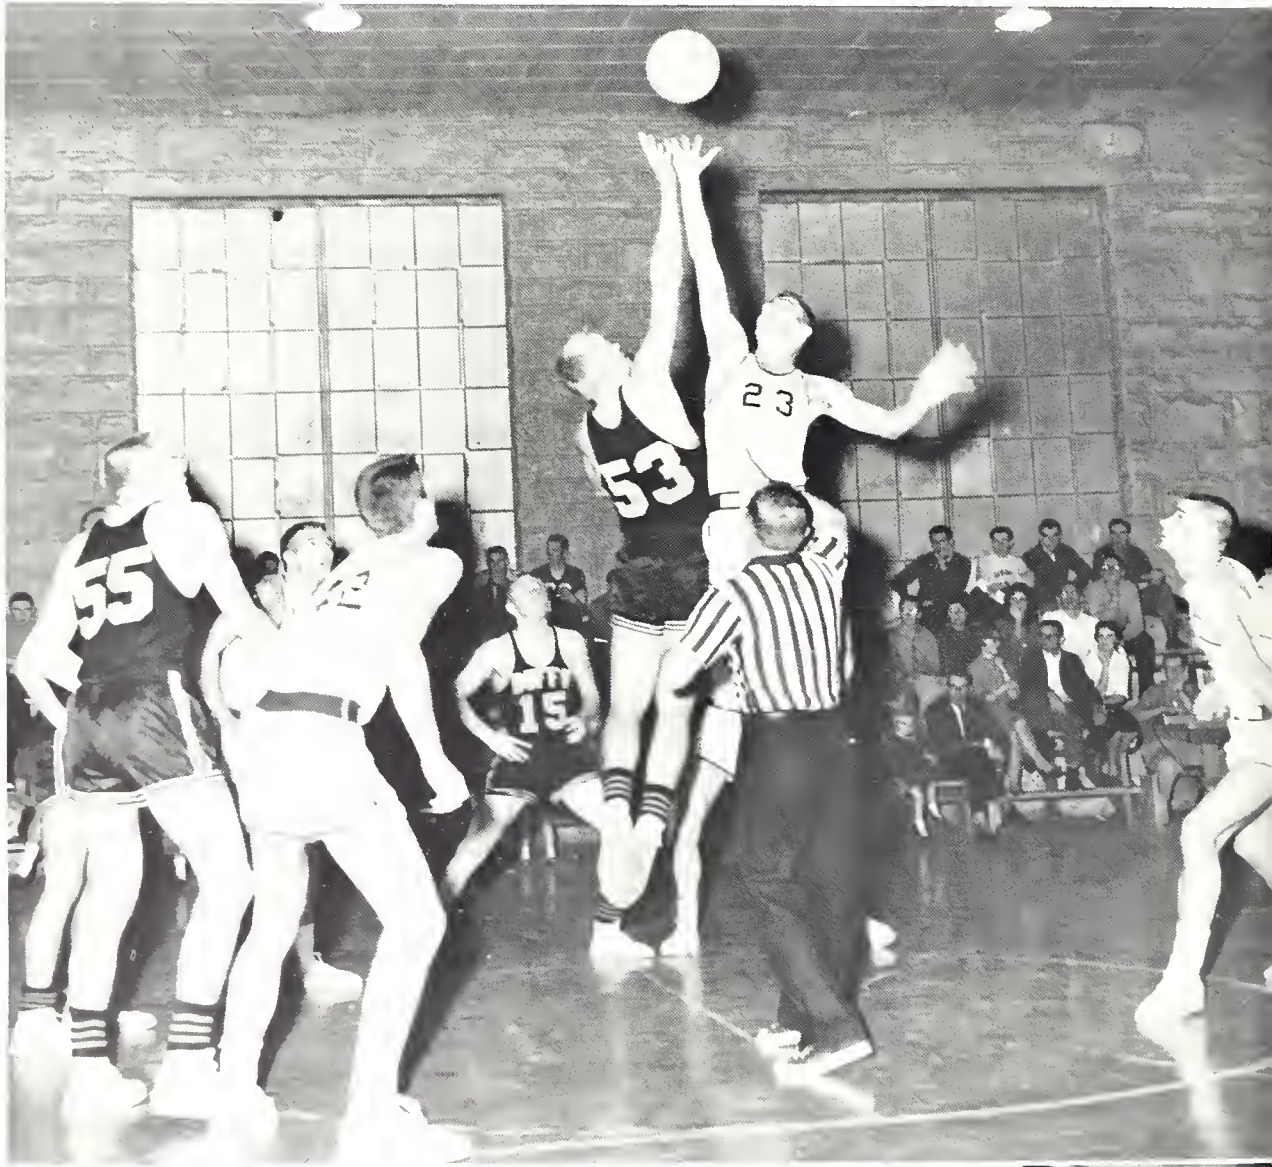

Union College has prepared us well for the new life we are about to begin. We have gained confidence during our four year stay here. Our abilities, we feel, whether of an academic, social, or spiritual nature, are more than enough to overcome the storms of life.

**CONFLICT,**

**WE SHALL VICTORS BE, IF WE'RE LOYAL  
TO THE PRECEPTS TAUGHT SO WELL BY THEE.**

Union's spirit is reflected in its athletic program. Whether at home or away, the students, who represent Union, are noted for their good sportsmanship and fair play.

**UNION COLLEGE, DEAR OLD UNION!**

# **UNION STRONG AND FREE! LOYAL SONS AND DAUGHTERS EVER WE WILL LIVE FOR THEE.**

As those who have gone before us have made their way in life so we, too, go forward with the final notes of our Alma Mater ringing in our ears down the road to eternity.

Dr. Erwin S. Bradley

## DEDICATION

"Men mark the good a man has done,  
And glorify the name he made."  
Henry Herbert Knibbs—"The Journey"

The Stespean Staff wishes to honor Dr. Erwin S. Bradley, Chairman of the Division of Social Sciences and senior male faculty member of Union College.

Dr. Bradley has served in many capacities since coming to Union College. He has been the Dean of Men, sponsor to the International Relations Club and Veterans Club, and has aided many students by his wise counselling and financial generosity.

One of Dr. Bradley's major contributions is his history of Union College, **Union College, 1879-1954**. This publication has added much to the prestige of our college throughout the country.

We greatly appreciate Dr. Bradley's unending devotion to Union College. In recognition of his scholarly leadership and his personal contributions, we dedicate to him the Stespean of 1960.

Union College's cross-country team participated in four meets, winning one and losing three. The Bulldogs were again paced by a long distance runner—Julian Holland. The Bulldogs' lone victory came against Marshal College in West Virginia, midst a cold downpour of rain.

Holland was pushed steadily all year for top honors by Roger Truitt and Mike Bailey who continually battled each other for record place on the team.

## FRESHMAN ORIENTATION

This year's orientation committee was headed by Noel White, the Senior Class president. The committee planned and presented to the freshmen during their first week on the campus a variety show, a picnic at Walker State Park, an outing to Cumberland Falls, and a movie—**Magnificent Obsession**. On Thursday night, during orientation week, Rat Court was held with Judge Noel White presiding and the other committee members serving as a jury. As a climax to a very eventful week, an all-school dance was held in the parking lot.

## ON STAGE

This year the Union College Drama Department produced two exceptional plays. In the Fall, "The Cocktail Party" by T. S. Eliot was presented to a very enthusiastic audience. The play depicts London society, and under the able direction of E. Reid Gilbert it was a huge success.

In the Spring, "The Importance of Being Earnest" by Oscar Wilde was presented, and to make the year complete the one-act experimentals were given.

## STUDENT SENATE

The Student Senate accomplished many things beneficial to Union and its students this year. It arranged for a student committee to meet with the dining hall officials each week to present students' suggestions and to further cooperation between the food management and the students. The Student Senate also provided new coat hooks at the dining hall entrance and placed a suggestion box in the Classroom Building for students' suggestions on any subject.

Furthermore, the work of this group helped alleviate the parking problem, arranged for open stacks in the library, and made class dues compulsory beginning next year.

## "U" CLUB

This Year the "U" Club, which is open to all students who have lettered at Union College, continued the nurture of its growing offspring, the Pep Club. It also sponsored, promoted, and carried out the annual Homecoming Dance; and the senior "U" Club members crowned the Homecoming Queen at the dance.

In addition to these activities, the members acted as hosts to the members of visiting athletic teams, showing them around campus and making them feel at home. Moreover, the club assisted in staging the High School Regional and the Smoky Mountain Track Meets.

The "U" Club held its annual club picnic at Dr. Thomas Walker State Park, and in the spring it presented an assembly program in which letter awards were given.

# PI GAMMA MU

Pi Gamma Mu recognizes the scholastic achievements of social science majors and minors. The membership is composed of students from the upper third of the Junior and Senior classes who have maintained high scholastic averages and moral character. The organization strives to promote better human relations through social service and academic development. Pi Gamma Mu is Kentucky's Beta Chapter of the National Social Science Honor Society.

The new members of Pi Gamma Mu were initiated on December 7, 1959, and also in the Spring. The traditional picnic was held at Baldwin Place.

## BETA SIGMA

Beta Sigma is a scholastic honorary society for sophomore girls. The local chapter is chartered by the Cwens, a national honorary society for sophomore girls. Members sponsored several social activities this year. Among these were a square dance, a splash party, and a tea for freshman girls maintaining a scholastic average of "B" or better. They also carried out a service project. They made appropriate tray favors for the local hospital for each Sunday during the month of December, February, and April.

**Below:** A project being planned.

## CIRCLE K

This year the Circle K Club had its members serve as guides for Homecoming and also for Senior Day. Two other activities were sending textbooks to Korea and representing Union College in the Daniel Boone Parade. Roger Jordan, who represented the club in the gala event, was selected as "Daniel Boone for 1959."

Under the able leadership of Art Logue, president; Max Carroll, vice-president; John Nealis, secretary; and Roger Truitt, treasurer, the Circle K Club was able to serve the students and the college, and was also able to carry on many splendid activities.

## VETERAN'S CLUB

Below: Our turn is coming.

The Veteran's Club, now in its second year of organization, has had as a particular project this year the purchase of a new flag for the college. During the first semester, the club sponsored the faculty-veteran's basketball game, a comical affair in which the tired faculty tied the healthy veterans. The children from the Pentecostal Orphanage were guests and were served refreshments. In the Spring a supper was held for the members and the election of officers for next year was held.

This year Robert Pfoff and Jack Hulett each served one term as commander. James Guth was the secretary-treasurer, and Ben Kelly, Vernon Maggard, and Canton Napier were the junior executives.

Barbourville, Ky.

Dear Classmates:

With the dawning of a new decade the Stespean of 1960 began to lay a firm foundation upon which other yearbook staffs will build. Two of the most outstanding achievements this year were the institution of an apprentice staff and a supplement containing the Spring activities. Both were a first in the Stespean's history. However, it was felt such a step was necessary if progress was to be achieved and the quality of the Stespean was made better.

The Stespean of 1960 is your yearbook, and we hope we have portrayed your life at your Alma Mater as you have lived it during the 1959-1960 academic year. May this year's Stespean be a source of enjoyment and happiness to you in the coming year and the years that are before you. If the staff has been able to achieve this end, then we shall feel our efforts have been successful and that we have been true to the responsibilities placed upon us.

Sincerely

*Robert H. Ginnings*

## ORANGE AND BLACK

**Below:** Last minute changes by the executive branch.

The Orange and Black strived to better itself and campus life this year by bringing to light important events in the life of the college student. It emphasized good and impartial coverage and sought the truth in order that the students of Union College and others would be well informed.

Some of the top news stories of the year were the arrival of the Freshman Class, Homecoming and the crowning of Queen Janice, the Bulldogs winning the Western North Carolina Tournament, Who's Who in American Universities and Colleges, Mr. and Miss Union, and President Miller's Inauguration on April 20, 1960.

The staff has worked hard to make Union College and all those involved proud of its achievements.

## BETA CHI ALPHA

This year the program of BXA included the sale of Homecoming mums, the initiation of new members, and a formal dance which climaxed the year's social activities. One of the major projects of BXA was the filling of food baskets for the orphanage on Thanksgiving and Easter.

BXA, Union's only social sorority, lived up to its standards of beauty, culture, and art.

## THE UNION CHOIR

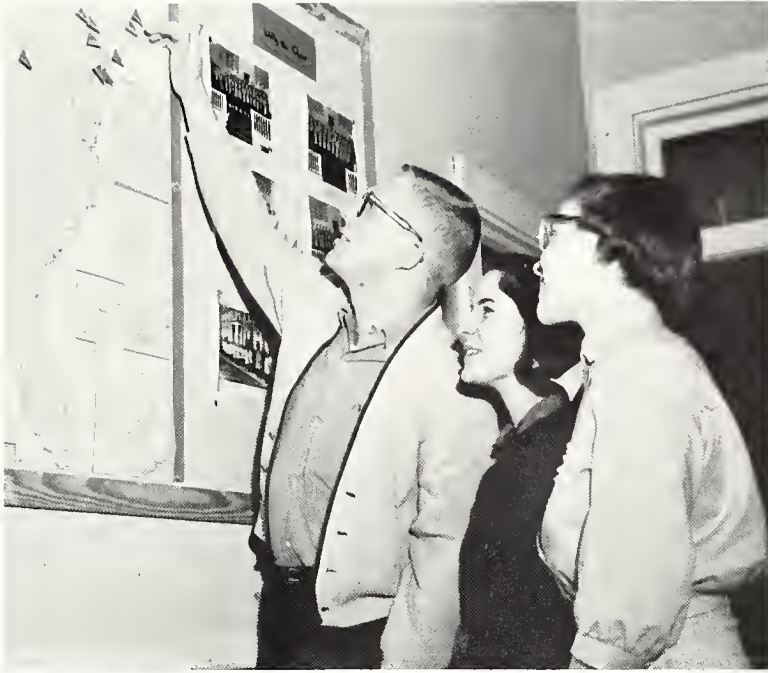

The choir, which is one of the better vocal groups in this section of the country, completed another very successful year under the leadership of Bob Hodnefield, president; and Mr. Donald Maxwell, director. The biggest activity was the ten-day tour the group took to the Eastern United States. On the way to Massachusetts the choir stopped in other parts of Kentucky, and then went through Pennsylvania, Ohio, New Jersey, and New York. In each of these states they put on a concert in various churches and then stayed in the homes of the members from these churches.

The choir was a great asset to the college by its participation in the chapel services and its concert programs at Christmas and Easter. When the semester ended in May, these loyal students remained to sing at the graduation exercises.

# AMERICAN GUILD OF ORGANISTS

AGO is the Union College Guild Student Group of the American Guild of Organists and is composed of organ students and any other students who are interested in the organ. Members become better acquainted with the history of the instrument and organ literature. Some programs for this year have consisted of Dr. Marigold speaking on the German organ and, in contrast, Mr. Hays speaking on the French organ. Dean Welch spoke on the relationship of the minister and the organist from the minister's point of view.

This year several AGO members had the opportunity to attend the Mid-Winter Con-

ference on Church Music on the campus of Northwestern University, Evanston, Illinois. The conference was centered around the eminent French organist Andre Marchal. Monsieur Marchal conducted four master classes and presented four recitals. It was truly an unforgettable experience to see the blind master sit at the console and play so perfectly.

The organizing and progress of this Guild could not have been possible without the guidance of Mr. Hays and the gracious hospitality shown by both Mr. and Mrs. Hays in their home.

## U. C. C. A.

The Union College Christian Association held regular weekly meetings of a religious nature open to all students on campus who wished to attend. At the beginning of the school year, it sponsored an orientation picnic at Cumberland Falls State Park. The regular programs throughout the year consisted of speakers, panel and open discussions, and a reading of the play **No Exit** by Sartre. In the Spring, the programs took to the out-of-doors again with a Galilean Service and a picnic.

The main project of the U.C.C.A. is the support of two Korean orphans through the Christian Children's Fund. In addition to the cash donations for the children's support, the U.C.C.A. had a Christmas party in the Fall. Students brought gifts for the children and had a Christmas devotional service before sending the presents in plenty of time for Christmas delivery.

Another Christmas project was the distribution of baskets to needy families in the communities near the school. Finally, the U.C.C.A. collected dictionaries, textbooks, and literary classics to send to a university in Korea, and held a variety show in the Spring.

# OXFORD CLUB

Above: Dr. Schweizer speaks!

The major project of the Oxford Club this year was the purchase of new pulpit robes to be worn by guest speakers at the college chapel services. Another new project was the founding of the Oxford Club Library. The activities of the club included sponsoring daily morning devotions, distributing chapel bulletins, providing student speakers for devotional periods, and conducting weekly worship services in the county jail.

A new group, the hospital committee, was begun as a part of the Oxford Club. The members of this group studied the "do's" and "don'ts" of hospital visiting and counseling and carried out projects for the local hospital, such as decorating a Christmas tree and donating toys to the children.

The Oxford Club began and ended the school year with religious retreats. Outstanding speakers at these retreats challenged the members to re-evaluate their lives and to re-dedicate themselves to Christ. The officers that led the club in its activities were: John Jones, President; Daniel Kreh, Vice-President; Christine Roberts, Secretary; Merle Correll, Treasurer; Dean Welch, Advisor.

## GERMAN CLUB

The German Club met once a month at the home of Dr. and Mrs. Marigold. At the meetings the members saw German movies, sang German songs, and tried their hands at speaking German. An innovation this year was the preparation of a German dinner with typical specialties. This was enthusiastically received by the members.

On February 13, with the help of the French Club, they sponsored a Valentine Dance. In the Spring, the annual picnic ended the 1959-1960 season.

## FRENCH CLUB

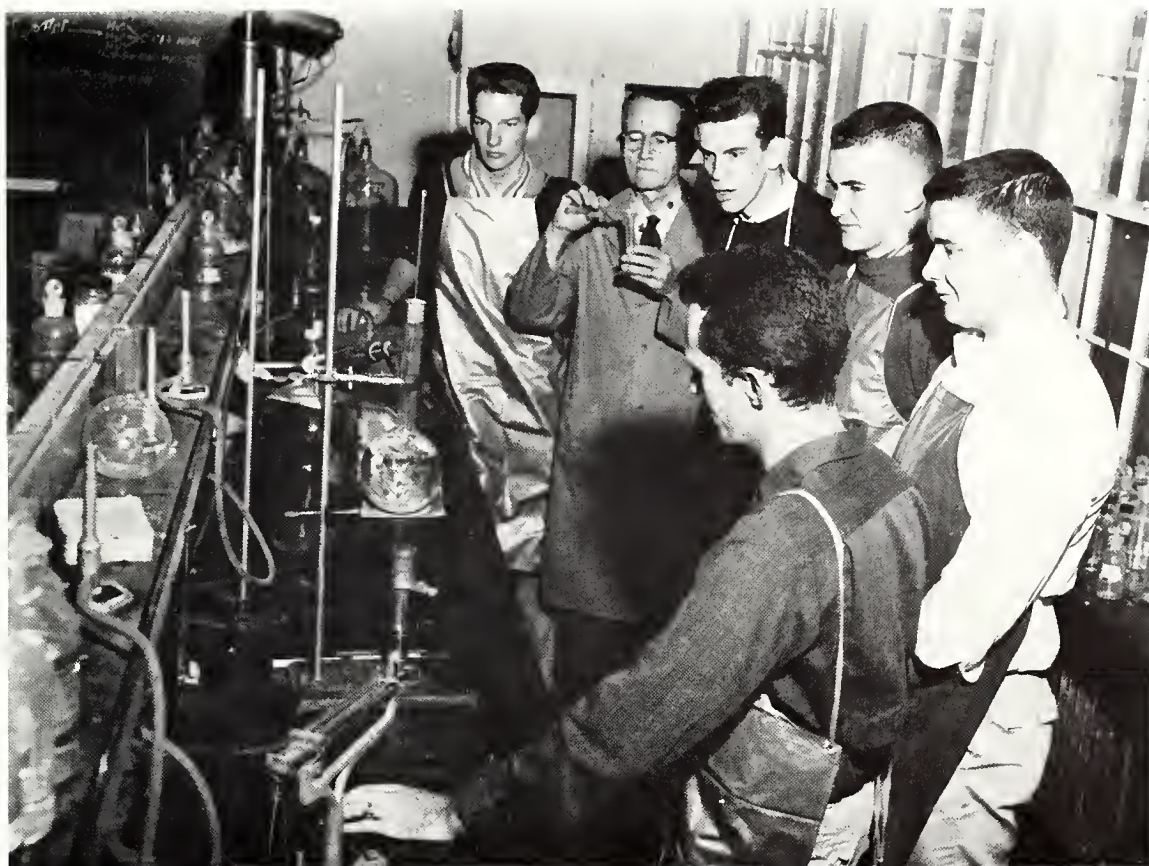

**Below:** A great team!

The French Club, a growing organization at Union, is composed of French language and culture students. At the meetings there were lots of songs, games, and educational slides for everyone's enjoyment.

This year the club had an attractive booth at the Halloween Carnival, a dance after the women's Open House, and an annual spring picnic.

Christine Roberts was the president; Pat Jones, Vice-President; Priscilla Holt, Secretary-Treasurer; and Mr. and Mrs. Marigold, the sponsors.

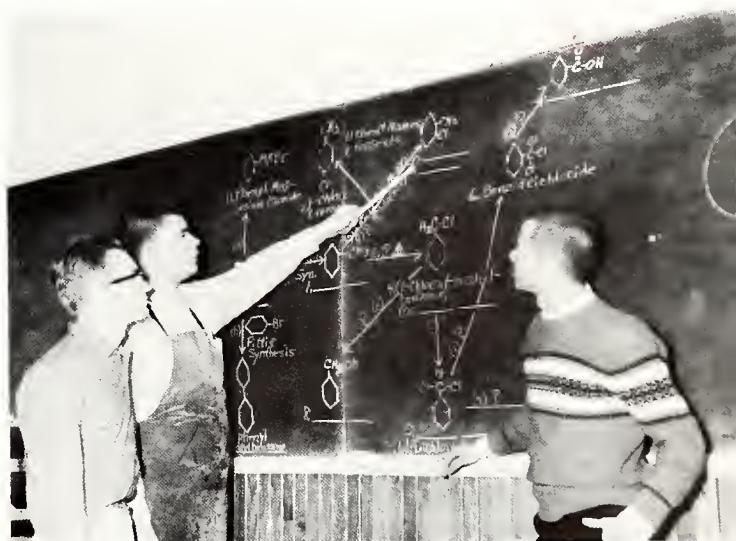

Clockwise: Rod Hammons, Mr. Wright, Earl Loos, Ron Collier, Al Smith, Jim Manuel.

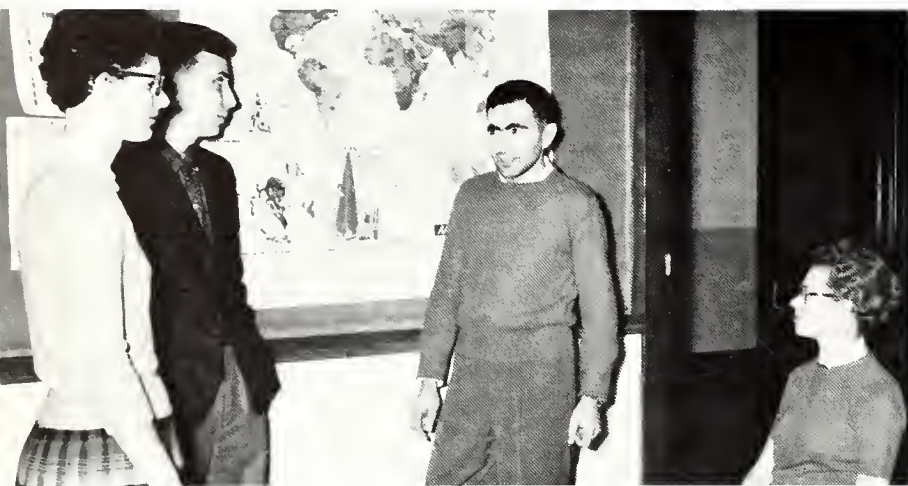

## AMERICAN CHEMICAL SOCIETY

The members of the A.C.S. saw several films throughout the year. Some dealt with atomic energy. They also had guest speakers and watched demonstrations given by their club sponsor. In April the group enjoyed a very interesting trip to the Atomic Energy Laboratory in Oak Ridge, Tennessee.

Below: Where do we go from here?

**Left:** These are the problems in my country today.

## INTERNATIONAL RELATIONS CLUB

The International Relations Club had two presidents this year. Glenn Perry served in this capacity for the first semester, and Max Carroll assumed the responsibility for the second semester. The other officers for the year were: Byung Koo Pak, vice-president; Wanda Hatfield, secretary; and Kay Privett, treasurer.

The first activity of the year was a picnic at Dr. Walker State Park. This affair was a huge success as were the baked beans made by Dr. Bradley, the sponsor of the club.

**First Row:** Wanda Hatfield, Dr. Bradley, Benny Pak, Glenn Perry, Max Carroll, Kay Anna Privett, Por-Sang Chen.  
**Second Row:** John Bowling, Dennis Martin, Mrs. Martha

At the meetings, a few faculty members spoke on their travels in different parts of the world. Two such interesting talks were presented by Dr. Ghormley, and Dr. Marigold. Several students from foreign countries told about life in their country. Other talks and movies gave the members of the club some insight into the problems the world is now facing.

The activities of the year were brought to a pleasant close with the outing held at Levi Jackson State Park.

Poff, Terry Bonnette, Cliff Lewis, David Porter, Elmer Overstreet, Bob Cummings.

## THE ART CLUB

The main activities of the Art Club were the making and selling of Christmas cards which were silk-screened by the club members. One of the best-liked designs was a picture of the Conway Boatman Chapel sketched by one of the members.

Other activities this year included taking trips to art shows in other communities, presenting an art show of members' works, and having a picnic in the spring.

**Below:** Mr. McRae gives helpful tips to Barbara and Frank.

# SNEA

**Above:** An interesting panel discussion.

The activities of the Student National Education Association this year included a booth at the Halloween Carnival called "Dante's Inferno," student teacher panel, talks, and movies.

The club members also made scrapbooks for the sick children at the Barbourville Hospital, and as a service to the college, they

repainted the road signs marking the way to Union.

The officers of the club for the 1959-1960 academic year were Joseph G. Richards, president; Sylvia Burns, vice-president; Bob McGuire, treasurer; Joanna Carter and Christine Gatton, associate secretaries; Dr. Simms, sponsor.

## ALPHA PSI OMEGA

This past year the Alpha Psi Omega helped to put on T. S. Eliot's play "The Cocktail Party" and Oscar Wilde's "The Importance of Being Earnest." Following these presentations, the group worked on three one-act plays which were written, directed, and acted by the students. The members also enjoyed seeing the productions of various other schools.

Highlighting the year's activities was the trip to New York City in the spring. The group saw some top Broadway plays and benefited from discussions following the trip.

In the spring the Alpha Psi Omega members had an evening of experimental theatre which included performances of mime, choral reading, and a melodrama.

The sponsor of Alpha Psi Omega was Mr. Gilbert, and the president was Stan Hall.

# PLAYLIKERS

This year the Playlikers, re-organized under a new constitution, gained strength to actively participate in many theater productions. Assuming the sponsorship of the two major productions, "The Cocktail Party" by T. S. Eliot, and "The Importance of Being Earnest" by Oscar Wilde, the thespians enjoyed a very successful year.

In order to encourage and further creativity among its membership three one-act plays were presented. They were written, directed, and acted by the students.

Ron Salman, the president of the Playlikers, was very instrumental in the club having such a profitable year. He was assisted by Reginald Lilley, vice-president; Juanita Williams, secretary; E. Reid Gilbert, sponsor.

**First Row:** Reginald Lilley, Genevieve Coulson, Stan Hall, Mike Power. **Second Row:** Rudy Streng, Barbara Blanch, Joan Werley, Linda Sue Salisbury, Bob Cummings. **Third Row:** Danell Riley, Pat Jones, Sue Crockett, Ron Salman, Bill Barnes, Bill Coon, Bill Maxwell, Mike Combs, Mr. Reid, Sponsor.

## PHOTOGRAPHY CLUB

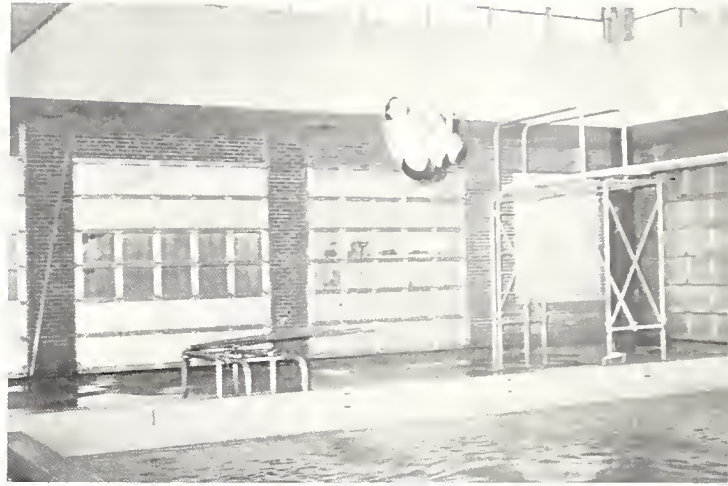

Although it was a new organization on Union's campus, the Photography Club was quite active this year. At one of the meetings, Mr. Charles Morehead from Flat Lick showed slides from the Photographic Society of America. Faculty members and students showed their own work at other meetings.

The club has been busy doing as well as seeing and hearing. The members photographed the moon through a telescope and also tried their skills in taking underwater shots in the swimming pool.

# DOLPHIN CLUB

This year the Dolphin Club sponsored a booth at the Halloween Carnival and enjoyed a special party in February for the members and their friends. The club members gave a water show as part of the Homecoming activities. In April, they presented another more elaborate show using music and underwater lighting. The show, entitled "Only in America," featured comedy acts, synchronized swimming, and water ballet. Officers: Co-Presidents, Rudy Streng, King Neptune; Jane Beaman, Queen Neptune; Secretary, Barbara Tisdall, Swordfish; Treasurer, Claudette Pyles, White Shark.

## WOMEN'S DORM COUNCIL

This was the first year that the Women's Dorm Council operated under a constitution. Such representative government brought with it many privileges, and made the business of the dorm run smoothly.

In March the second annual variety show was held. It was a huge success. The money raised from this event was used to purchase games, and other things of benefit to the women boarding students.

The other activities, which took place during the year, included a Christmas Tea and the Women's Open House and Valentine Dance. The Queen of Hearts, Joanna Carter, was elected by the girls themselves.

## MEN'S DORM COUNCIL

The Men's Dormitory Council was elected by the residents of Stevenson Hall and Lundy House this year. The members tried to represent the interests and concerns of all the residents of the dormitories by enforcing the rules of the dormitory and disciplining those who broke them. In addition to this major responsibility, it planned several special events for the men.

During the year, the Council recruited students to help them design and construct the

prize-winning display for Homecoming. On December 11, the dormitory had its usual Christmas Open House. Following this, a formal dance was held in the gym and was a success in every way. The men also converted the basement into a very useful recreation room.

The aim of the Council is to maintain an orderly, clean, and quiet dormitory which is homelike and conducive to study.

**Right:** These are the orders from the chief.

## PEP CLUB

This year the Pep Club encouraged school spirit in many ways. They held a number of pep rallies, conducted a snake dance through the dormitories, and had a bonfire. In addition, they arranged car caravans to take Union College students to some of the away games. They also sponsored a dance in the spring.

A black and white photograph of a landscape. The sky is filled with dramatic, layered clouds. In the foreground, there are dark, silhouetted trees and foliage. In the middle ground, a building with several windows is visible, partially obscured by the trees. The overall mood is somber and atmospheric. The photograph is oriented vertically on the page.
